EDUCATION

Middle Tennessee State University

Bachelor's Degree in Computer Science - Cybersecurity

Murfreesboro, TN

Jan 2024 - Dec 2025

Motlow State Community College

Associate Degree in Computer Science

Smyrna, TN

Aug 2021 - Dec 2023

WORK EXPERIENCE

FedEx Supply Chain

Computer Technician III

Lebanon, TN

Jun 2026 - Present

- Diagnose, troubleshoot, and repair computer systems and servers through hardware testing, system tear-downs, and power-on validation.
- Replace failed components, document repair actions, determine cost-effective repair steps, and escalate unresolved hardware or software issues.

Walmart

Sales Associate

Murfreesboro, TN

Jul 2021 - Sep 2025

- Supported customers in a high-volume retail environment by resolving issues, communicating clearly, and maintaining professional service.
- Trained new team members on inventory tools and store procedures while resolving department equipment issues and escalating unresolved problems.

PROJECTS

Online Privacy Tool eXtractor | *JavaScript, HTML/CSS*

Jun 2025 - Present

- Built a privacy-focused OSINT assistant for reviewing digital footprints, opening lookup and opt-out resources, and organizing an expanding public-record and data broker directory.

Antage Test Tracking | *JavaScript, HTML/CSS, Node.js, .NET, MySQL*

Jan 2025 - May 2025

- Designed and developed the frontend interface for a .NET-based test tracking solution, collaborating with a 6-person development team.
- Implemented REST API integration and MySQL data workflows while following testing, code review, and team development practices.

SOC Dashboard | *JavaScript, HTML/CSS, Node.js, MySQL*

Aug 2025 - Dec 2025

- Built a Security Operations Center dashboard frontend with an interactive world map, REST API integration, and MySQL-backed incident tracking in a 4-person team.
